

Certified Software Users:

Please contact us so we can update your software to be ready to activate the new required 2019 features on January 1st, 2019.

For Meaningful Use for **2018** you will still be using your **current version**:

PowerSoftMD Certified by Data Tec, Inc. certified on March 9, 2015, ONC-ATCB Certificate Number IG-2710-14-0104 Version MU2B a Complete EHR. This includes Clinical Quality Measures CMS Numbers, 50, 68, 75, 123, 127, 131, 138, 154, and 156.

For Meaningful Use for **2019** you will be using the **new version**:

PowerSoftMD Certified by Data Tec, Inc. certified on Oct. 5, 2018, ONC-ATCB Certificate Number 15.02.02.1324.A078.01.00.1.181005 Version MU3A is EHR Certified for Measures: 170.315 (A1,A2,A3,A4,A5,A6,A7,A8,A9,A10,A11,A12,A13,A14) 170.315 (B1,B2,B3,B4,B5,B6,B9) 107.315 (C1,C3,C4) 107.315 (D1,D2,D3,D4,D5,D6,D7,D8,D9,D10) 107.315 (E1,E2,E3) 107.315 (F1) 107.315 (G2,G3,G4,G5,G6) 107.315 (H1)

This includes Clinical Quality Measures CMS Numbers, 50, 68, 75, 123, 127, 131, 138, 154, and 156.

Enhancements

We continually enhance PowerSoftMD with suggestions from our clients as well as new requirements and/or codes, i.e. the 2019 ICD-10 Codes.

You can review a list of our enhancements by year using the Light Bulb Icon from the PowerSoftMD Primary Menu.

We hope you all have a *Fantastic* rest of the year! 😊

Cordially,

Peter Goodall &

and all Your PowerSoftMD Staff
